Dear Sir,

Lorem ipsum is simply dummy text of the printing and typesetting industry. Lorem ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged.

Digital Marketing Director  
 Marketing  
 Fudge  
 87 Molina Rd Albuquerque  
 NM 138794

Dear David,

Fudge Digital is hiring and I am just the person you need. My name is Susan Taylor and I'm a seasoned and successful Digital Marketing Manager with more than 5 years of online marketing experience. Fudge is a business with a reputation for bringing together creativity and progress. Together, I think we'd make the perfect team.

I live and breathe life as a digital creative and in the last 5 years, it's been my honor to be able to call myself a professional in this field. I make it my mission to create attractive and effective marketing assets that look great and sell better. In the last quarter, the digital assets my team and I brought to life have smashed their targets by over 30%.

My biggest guiding forces are communication and cooperation and I know that Fudge also appreciates these skills. I've been following your blog for a couple of years now and have always been impressed by the values of teamwork and inspiration that are woven into everything you do.

I was also totally blown away by your Award-winning video campaign. Hopefully, we'll be able to work together to see that you retain the title next year.

Thank you for taking the time to read through my application. I am contactable by email every day or by landline Monday-to-Friday from 6 pm onwards. I hope we can meet soon to discuss how we can help Fudge reach even greater heights.

Yours truly,  
 Susan Taylor
